11.0 Reset

If one or both earbuds fail to play audio or pair to device, follow these instructions to reset the earbuds:

1. Turn off the bluetooth from mobile phone and delete/forget all [TOZO T18] bluetooth records. Take earbuds out from the charging case, press the touch panel for 5 seconds to turn the earbuds off.
2. Press and hold the touch panel for about 5 seconds, the earbuds will enter to pairing state (orange/white light flashes alternately).
3. Tap the touch panel twice rapidly, the white light flashes rapidly, after TWS paired successfully, white/orange light flash alternately on one earbud, no light on the other.

12.0 Observation indicators

Model	Indicator status
Power on	White light is on for 1 second
Power off	Orange light is on for 1 second
Bluetooth pairing (Mobile phone/Other device)	Pairing status: Orange and white lights flash alternately
Incoming call	White light flashes rapidly

2.0 Touch control diagram

The touch area (MFB Touch Panel) is located in the center of earbuds handle.

3.0 Auto power on/off

Auto power on
The earbuds will turn on automatically when the charging case is opened.

Auto power off
The earbuds will turn off automatically when the charging case is closed.

Other way to turn on
Press and hold the touch area for 3 seconds to turn on when the earbuds are turned off.

Other way to turn off
Press and hold the touch area for 5 seconds to turn off when no music is playing.

4.0 How to pair

1. Open the charging case. The earbuds will automatically power on and connect to each other within 10 seconds.
2. Search for pairing name [TOZO - T18] and click on it.

5.0 Bluetooth tips

1. The earbuds will automatically pair and connect to the most recently paired device when removed from the charging case, if the device is available.
2. A single earbud (Left or Right) can also be used. If you want to use both earbuds, simply take out the other earbud and earbuds will automatically pair.
3. The earbuds will automatically turn off when being unpaired for 5 minutes.
4. If the earbuds fail to connect to a previously used device, please unpair the earbuds from the device and try again.
