Who uses H&R Block Tax Software?

H&R Block Premium & Business Tax Software is designed for people who want to be in control of their tax preparation experience and feel empowered by completing their own return. They want to get the biggest refund possible, have complex tax situations, and are often homeowners, investors, rental property owners, self-employed, or business owners. These customers may have S corporations, partnerships, LLCs, or even file tax returns for a nonprofit.

How to describe H&R Block Tax Software.
