

Vivint Ping™ Camera

Talk with just a touch

Notifications of camera activity make sure you never miss what happens at home.

Clips of camera history allow you to track activity in your home.

3 high-powered infrared LEDs for true night vision.

Microphone and speaker enable two-way conversations with someone in your home.

One-touch callout lets you easily connect with family members while they are away.

155° lens delivering 1080p HD video shows the widest, clearest view inside your home.
