

MOUNTING YOUR POPCLIP

Install your PopClip at room temperature.

Decide where you'd like to place your PopClip before installing - you can only mount it once!

Clean your chosen PopClip spot before installation.

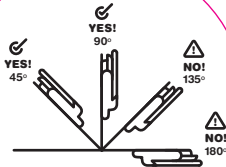

Let the cleaned area dry before pressing your PopClip into place. Press firmly for 12 seconds to make sure it sticks.

Wait 24 hours before putting your phone on the PopClip.

24
HOURS

PopSockets LLC is not responsible for:
- any damage to any surface caused by the use or installation of your PopClip
- any discoloration resulting from the installation or removal of your PopClip

SAFE MOUNTING

REMOVING YOUR POPCLIP

Use fishing line or dental floss in a sawing motion to cut adhesive away from surface.

Don't reuse the adhesive. Replacement kits are available at [PopSockets.com](https://www.popsockets.com).
