PRECAUTIONS

1. Listening to loud music for a long time may cause discomfort. Please use medium volume when possible. Do not use high volume for long periods of time.

2. Using headphones will affect your perception of the surrounding environment. Pay attention when using headphones.

3. Do not remove or modify the headphones as this may cause damage or burn out.

4. Do not throw or twist on the headphones.

5. Keep headphones away from fire, hydration and high pressure equipment.

6. Not suitable for children under 10 yrs old. Contains small parts.

7. Do not classify headphones as household waste. Please send them to the local electrical equipment recycling station.

8. The charging pole piece has been treated for anti-corrosion, but seawater is highly corrosive. It is recommended to clean them after being in seawater.

Note: The company does not assume any responsibility for the loss of personal property caused by the violation of the above warnings.
