

Universal Smartphone and Tablet Flex Mount

.....

Watch your smartphone or tablet hands free!
For use in the kitchen, office, on the sofa or in bed.

Overview:

Aluratek's Universal Smartphone and Tablet Flex Mount allows you to enjoy a completely hands free experience with virtually unlimited mounting possibilities. The mount features a built-in surface clamp and 360 degree rotating device cradle. The flex mount's carefully placed rubber padding offers scratch free protection for your device and furniture.

Features:

- Compatible with most smartphones and tablets between 4.75 to 9 inches in width
- Long flexible arm provides virtually unlimited positioning possibilities
- Device cradle rotates 360 degrees for landscape or portrait viewing
- Clamp adjusts from 0 - 3" allowing you to securely clamp on a bed frame, bedside, headboard, nightstand, desk, end table, kitchen counter etc.
- Non-slip silicone pads protect your device and furniture from scratches
- Limited 1 Year Warranty

Highly Flexible

The long flexible arm provides virtually unlimited positioning possibilities. Watch your smartphone or tablet hands free!

Universal Compatibility

Works with mobile devices ranging from 4.75 to 9 inches in width. The non-slip grips guarantees a safe hold on your devices. Use the lace handles to easily pull-out the retractable arms so your mobile device can securely rest between the grips.

360° Cradle Rotation

Device cradle rotates 360 degrees for landscape or portrait viewing. For use in the kitchen, office, on the sofa or in bed.

Adjustable Base Clamp

Clamp adjusts from 0 - 3" allowing you to securely clamp on a bed frame, bedside, headboard, nightstand, desk, end table, kitchen counter etc. Non-slip silicone pads protect your furniture from scratches.
