ONE YEAR LIMITED MANUFACTURER'S WARRANTY

LIMITED WARRANTY: Zound Industries International AB (referred to subsequently as Zound Industries) is dedicated to providing excellent products using today's advanced technology. However, electronic products may encounter technical difficulties resulting from a manufacturing defect. This is why Zound Industries offers the following, free, one (1) year limited warranty on this product to the holder of a valid proof of purchase of the product.

Zound Industries hereby warrants that, under normal use, this product will be free from defects in materials and workmanship for a period of one (1) year from the date of initial purchase.

This limited warranty does not apply to defects resulting from accident, abuse, misapplication, unauthorized repair, modification, disassembly, improper operation or maintenance, or usage not in accordance with product instructions.

Other than the limited warranty set forth above, Zound Industries (to the maximum extent permissible by law) expressly disclaims and excludes all warranties, expressed or implied, including, without limitation, the implied warranties of merchantability and fitness for a particular purpose, relating to the use or performance of the product. Some legislation do not allow the exclusion of implied warranties, so the above exclusion may not apply to you.

Zound Industries shall not be liable for special, indirect, incidental or consequential damages resulting from the use or inability to use this product, regardless of the legal theory on which the claim is based. Some legislations do not allow the exclusion or limitation of indirect, incidental or consequential damages, so the above exclusion or limitation may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from legislation to legislation. This means that the limited warranty is distinct from any statutory rights under any mandatory consumer protection laws of your country applicable to you. It is intended to grant you specific, and as the case may be, additional rights, within the limits of what is permissible under such law, and does not

limit the rights you may have under applicable statutory product warrantee provisions. You may have other rights based on local laws during or after the warranty period. These rights are not excluded or limited by this limited warranty.

This limited warranty extends only to you and cannot be transferred or assigned. If any provision of this limited warranty is unlawful, void or unenforceable, that provision shall be deemed severable and shall not affect any remaining provisions.
