

Vivint Playback™ DVR

Never miss a moment

Mobile access to recorded video from up to 4 cameras - indoor, outdoor or doorbell.

24/7 video recording keeps a record of every minute for 30 days.

Event markers show motion-triggered activity for quick search.

1TB of storage for Playback video, photos and camera clips with Vivint Smart Drive.

vivint.SmartHome™

Vivint Playback™ DVR

Why you want it

-  Relive every minute of what's happened in and around your home over the last 30 days.
-  Easily move from scene to scene with event markers on your video stream.
-  Your Playback video is stored on the Vivint Smart Drive in your home using your Wi-Fi, not your internet bandwidth.
-  Include your family and friends by editing and sharing video clips of your home's best moments.
-  Less expensive than similar cloud-based solutions.
