iBT175V2

Color Changing Bluetooth Rechargeable Speaker with 360° Sound and LED Party Lighting

Bring the party wherever you go with iBT175V2 color changing rechargeable Bluetooth speaker. The iBT175V2 has two audio sources: Bluetooth wireless audio streaming from your Bluetooth-enabled device, or direct audio via the aux-in jack. Built-in mic, digital voice echo cancellation and answer/end controls make speakerphone use a pleasure. Works with free Melody voice powered personal music assistant app to play music from Spotify, iHeartRadio and more. 360° sound with four speakers fills the space with sound. 3 passive subwoofers for enhanced bass. Five color changing modes with multiple colors at the same time for fun, fabulous color effects. Download the free iHome Enhance App to set alarms and change color modes via Bluetooth. Operates on internal rechargeable battery OR 100V-240V universal AC adapter.
