## Warranty

Aluratek warrants this product against defect in material or workmanship for **1 YEAR** from the date of purchase.

This warranty becomes invalid if the factory-supplied serial number or "warranty void" sticker has been removed or altered on the product.

This warranty does not cover:

- A) Cosmetic damage or damage due to acts of God
- B) Accident, misuse, abuse, negligence or modification of any part of the product.
- C) Damage due to improper operation or maintenance, connection to improper equipment, or attempted repair by anyone other than Aluratek.
- D) Products sold AS IS or WITH FAULTS.

IN NO EVENT SHALL ALURATEK'S LIABILITY EXCEED THE PRICE PAID FOR THE PRODUCT FROM DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THE PRODUCT, IT'S ACCOMPANYING SOFTWARE, OR IT'S DOCUMENTATION.

Aluratek makes no warranty or representation, expressed, implied, or statutory, with respect to its products, contents or use of this documentation and all accompanying software, and specifically disclaims its quality, performance, merchantability, or fitness for any particular purpose. Aluratek reserves the right to revise or update its product, software or documentation without obligation to notify any individual or entity.

## Product Highlights

## Operation

### Control Functions

Function	Operation
Power ON	When OFF, press and hold the  Button for 3 seconds until the blue LED flashes
Power OFF	When ON, press and hold the  Button for 4 seconds until the blue LED turns off
Pairing	When ON, the LED flashes blue
Play / Pause	Press the  once to play / pause music
Accept / Disconnect Call	Press the  once to accept / disconnect phone calls

## Operation

### Pairing

Stereo Mode: Stream to both speakers.

1. Power on both speakers by pressing the button for 3 seconds
2. Press the button twice on one of the speakers
3. The speakers will connect to each other automatically confirmed by a sound prompt. After the initial pairing, the two speakers will connect to each other automatically when they are both powered on.
4. Activate your device's Bluetooth function and set your device to search for Bluetooth device. Select ABDS02F when it is found.
5. After connecting successfully, the blue LED will flash on one speaker and stay on for the second speaker

When ABDS02F is connected to a smartphone, the button will default to music playback mode where you can press the once to Play or Pause music. You can switch to Selfie mode for the button by pressing the button twice. Under selfie mode with the camera app active on the smartphone, press the button to take the picture.

## Radio and TV interference Statement

**WARNING!!!** This equipment has been tested and found to comply with the limits of a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instruction, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by whatever measures may be required to correct the interference.
