

# HeadLamp 330

330 Lumens of Ultra-Thin, Ultra-Wearable Light

## 3D-Molded Front

Electronics are integrated into fabrics for an ultra-thin light that sits flush on forehead and moves with you seamlessly

## One-Handed Tilt

Lighting articulates without rigidity so you can see what's below you quickly

## Smart Fabrics

Moisture-wicking materials keep you dry and comfortable with no abrasion

## USB Rechargeable

Ditch the battery swaps and recharge easily via micro-USB from a BioLite Stove, SolarPanel or PowerBank

## Gravity Friendly

Power source is re-located to base of head reducing slippage and keeping weight off front of face
