

## CAPTURE PROFESSIONAL PHOTOS & VIDEOS:

Level up your lighting with this professional studio RGB LED Light, a lightweight portable special effects light to use indoors and outdoors. Ideal for Portraits, still life and all types of videos. Perfect for travel logs, YouTube, tutorials, interviews, and many other content creation activities.

## ADJUSTABLE LIGHT SETTING:

Set the right mood & tone you desire with 100 brightness levels & 75 CCT mode color temperature (2500k-9900k), without worrying about the room's existing lighting. Add warm, cool and neutral tints to your photos & videos.

## IMPRESSIVE BATTERY LIFE AND LCD DISPLAY:

Enjoy up to 2-3 hours of continuous use with the built-in 4000 mAh rechargeable Li-Polymer battery. The back panel features an intuitive LCD screen that displays battery, brightness, color temperature, RGB settings, special effects and more.
