

Bluezone® Bulb Replacement – Quick Guide

For your safety, please read and follow all instructions carefully.

Remove old bulb

1. Remove decorative cover.

2. Flip down LED ring.

3. Remove inner cover.

4. Place tab of inner cover between bulb and socket.

5. Push tab in slightly, then rotate to pop out bulb.

6. Pull right side of bulb forward to remove.

Install new bulb

7. Plug in new bulb. (Rotate to match socket if needed).

8. Press in new inner cover.

9. Rotate up LED ring and snap into place.

10. Replace decorative cover.

Recycle old bulb

This bulb is a fluorescent bulb and can be recycled along with your other spent compact fluorescent bulbs (CFLs). To find a CFL recycler near you, visit: search.earth911.com and search for "CFLs."
