# SMART DESIGN

The ENHANCE stereo speakers are ideal for desk setups that are compact and limited in space. With a smart, concise build; these speakers pack a punch without the bulkiness of other speakers. Complete with a lightweight feel, the speakers make it easy for you to take them with you on the go. The sharp glowing LED and sleek rubberized base adds vibrant glowing lights of color to your gaming setup, office or work station. Use the built-in switch to turn the lights ON and OFF.

# EASY SETUP

An easy to use Plug-N-Play design means setting up is simple. Connect to your computers USB port and boom, you're ready to go! The in-line volume controls are convenient for quick adjustments when needed and the built in headphone (3.5mm) jack input can play audio from your favorite device!

# WORKS WITH:

# DESKTOPS, LAPTOPS PC'S FROM:

Apple, Toshiba, HP, ASUS, Lenovo, Acer, Dell, Sony, Samsung, CyberPower, CybertronPC, Alienware and More computers!
