

MTM65PL-S

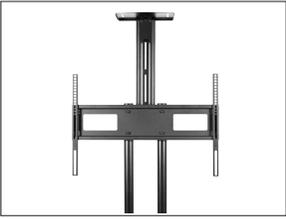

Redefining the term "mobile device"

The MTM series provides a safe way of maneuvering your TV around any home or office setting. Constructed out of steel with 2-inch rubber castors, these mobile stands are quick to assemble and include integrated cable management for an exceptionally tidy setup. Their telescopic center columns offer 20 inches of height adjustment and facilitate easy storage when not in use. PLUS units also come with an adjustable steel tray and top shelf to conveniently carry your devices. Choose a model based on the size and weight of your TV.
