H65 Series Hisense Android TV

Model 50H6570G

4K ULTRAHD

The Smart Upgrade

The H65 series is as smooth as it is smart, thanks to advanced technologies inside and out. Colors burst off the screen in amazing 4K UltraHD resolution. Experience movies and games with incredible contrast, thanks to advanced picture technologies like Dolby Vision HDR and HDR10. For a 4K UHD picture, plus incredible content, and convenience, the smart money is on the H65 series.

With more than four times the resolution of a regular 1080p high-definition screen, an Android OS with more than 4,000 apps and games, and Google Assistant built-in for voice control; the H65 4K UltraHD Hisense Android Smart TV changes the standard for affordable, premium TVs.

4K Ultra HD

Delivers more than four times the resolution of a regular 1080p high-definition screen. Along with over 8.3 million pixels, inside you'll find a powerful full array LED backlight at work creating a sharper, more colorful picture.

DTS® Virtual: X™

DTS Virtual: X technology is a scalable and versatile advanced post processing package that creates an immersive audio experience by virtualizing height content over traditional stereos.

Dolby Vision™ HDR and HDR10

Dolby Vision HDR and HDR10 transforms your TV into an entertainment powerhouse. The image technology from cinemas, now brought together in the home, provide amazing realism that you'll see, hear, and feel like never before.

Bluetooth™ Audio

The H65 is music to your ears—and eyes—thanks to built-in Bluetooth connectivity. This universal, invisible technology expands your entertainment options by wirelessly connecting a compatible soundbar, headphone or stereo components to your TV. From movie soundtracks to your favorite playlists, your TV can amplify every experience while eliminating unsightly cords.

Android TV

Android TV brings comprehensive content, including more than 4,000 apps and games to the biggest screen in your home. It makes it easy, not only to watch but also discover movies, tv shows, music, and games. Android TV is a total entertainment hub.

Voice Remote

Voice control makes interacting with your Smart TV easier and more intuitive. Open or search for apps, control the volume and inputs, or search for your favorite TV shows and movies simply through the power of your voice.

Google Assistant Built-in

The Google Assistant* is built into Android TV, so tell your TV to turn on the lights, change the thermostat, add an item to your grocery list, or play the latest viral video. And with universal search, its never been easier to get recommendations with Android TV.

Chromecast Built-in

Chromecast is built into Android TV, so you can cast photos, videos, and music from your smartphone to your big screen.

*Google Assistant-compatible products required to use voice commands
