

## SS-12

### Cuisinart® Coffee Center™ Brew Basics

Get the best of both worlds with the dual brew options of Cuisinart®'s Coffee Center™ Brew Basics. The fully programmable coffeemaker lets you choose the amount you brew with -a full-service option that makes 12 fresh cups in a glass carafe and a single-serve side that brews 8-, 10-, and 12-oz sized cups in minutes (compatible with any single-cup pod, including Keurig's K-Cup®). Whether you are hosting at home and need to serve multiple cups of coffee quickly or just want to brew a cup for yourself with minimal mess, our Coffee Center™ Brew Basics is here to deliver. Maximize the counter space in your kitchen with Cuisinart's answer to all your coffee needs; this two in one solution is your go-to for the freshest, most delicious coffee!

- 12-Cup Carafe and Single Serve
- Water reservoir: 64 oz for Drip Coffee (contains individual charcoal filter) and 40oz for Single Serve (contains individual charcoal filter)
- LCD display on Control panel with 24-Hr Programmable clock and "Add water" icon
- Adjustable Keep warm time (0-4 hours)
- Brew Pause feature allows removing carafe mid brew to pour a cup before returning carafe to continue brew
- Rotary dial to adjust Standby Clock, Programming Auto On Function 24 hrs. in advance, Auto Off shutoff time, and Clean Function
- Single Serve brewing options 8 oz., 10 oz. and 12 oz. cup sizes
- Can operate Single Serve side during keep warm function
- Limited 3-year warranty
