RGB Lighted Whips with Quick-Release Base

Available in both 5' single row RGB and 4' double row RGB, Stinger's new double-sided lighted whips make night riding safer and more awesome. You'll be lighting up the dunes, or wherever your adventure takes you. Once the fun is done, a quick-release connector makes disconnecting the whips for the ride home super simple.

RGB REMOTE CONTROL

20 static colors, 9 dynamic modes,
5 level speed / brightness

QUICK-RELEASE BASE

With internal wire
connections. Install
and Remove whip
in seconds
