

# HP 430 Programmable Wireless Keypad

Complete control. Completely customizable.

Get more than numbers out of your keypad. The HP 430 Programmable Wireless Keypad is fully customizable<sup>1</sup>, to give you full control. Besides the standard numpad layout, a column of five blank keys can be configured as you see fit. In fact, this keypad has nine programmable keys with swappable keycaps for an endless array of workflow options.

## Create your new favorite key

This little board packs in a lot of functionality. With swappable keycaps and nine programmable keys<sup>1</sup>, you can program and label custom shortcuts or automate difficult keystroke combinations to perform your day-to-day tasks in a fraction of the time. HP Accessory Center makes it easy to set and change commands on the fly.

## Uncomplicated connectivity

For any workflow, connection is key. Whether at home, on the road, or in the office, quickly connect to your devices via Bluetooth® with Swift Pair support. The light at the top of the keypad lets you know you're paired up.

## Portability meets productivity

Bring your workflow on the go. This spill-resistant, sanitizable<sup>2</sup> keypad has a compact, commuter-friendly design and can work on both sides of your main keyboard. Add utility and comfort to your day with a customizable layout and blank key column that feature low-profile, concave keycaps for quiet and comfortable typing.

## Built for a better tomorrow

The better choice for a brighter tomorrow, the HP 430 Programmable Wireless Keypad contains 50% post-consumer recycled plastics<sup>3</sup>. With FSC certified, plastic-free packaging, and low-halogen lights, you can be confident your keyboard is helping protect our shared future while doing amazing things for you.

---

**Up to 24 months of battery life**

One AA battery provides up to 24 months of productivity. No charging cable needed.<sup>4</sup>

**Bluetooth® connectivity**

Travel, commute, and connect with confidence. Wherever you're working, connect quickly via Bluetooth® with Swift Pair support.

**Mechanical keys**

Mechanical low-profile tactile switches feel great under your fingers and have a slim form factor.

**Thirty keycap stickers**

Create shortcuts through HP Accessory Center and use the thirty included stickers to mark them on the transparent keycaps.<sup>1</sup>

**Swappable keycaps**

With mechanical keys, you can swap out any keycap to highlight your style, mark your macros, or match your other keyboard.
