Enjoy your favorite streamed music by the pool—or in the pool!

The fun shouldn't stop when things get wet. Whether you're playing Frisbee in the backyard or floating in the pool, you want your favorite music with you. With the Aquaboom Max waterproof Bluetooth speaker you'll always have your tunes, because it streams music wirelessly from any Bluetooth-enabled device. This rugged speaker is rated at IP67, which is waterproof/mudproof/sandproof, so if you accidentally knock it into the pool it's no problem. Aquaboom Max floats! With 50 watts of stereo power, dual 3" speakers and Bass Boost, Aquaboom sounds great—wet or dry!

The Aquaboom has a built-in rechargeable battery for hours of uninterrupted fun and a built-in microphone so you can answer your calls without fumbling for your phone. This is the ultimate outdoor entertainment partner, no matter what the conditions.
