

Duo Series P757

Smart 16MP Panoramic PoE Security Camera, IK10 Vandalproof Rated

IK10 Vandal-Proof

Withstands violent impacts, ensuring unbreakable security for high-risk areas.

180° Panoramic View

Dual-lens camera produces a seamless 180° panorama view with very little distortion and no blind spots.

16MP UHD

Experience true-to-life visuals with combined 16MP ultra-high definition. Never miss important details.

Smart Detection

Accurately picks out humans, vehicles, and animals, reducing false alarms.

Spotlights & Siren

Protects your property by deterring intruders with lights and sounds.

Color Night Vision

See vivid colorful night image powered by spotlight, even in total darkness.

Clear Two-Way Audio

AI-enhanced noise reduction ensures crystal-clear, real-time communication.

IP67 Weatherproof

Performs well in any weather conditions for year-round protection.

Reolink PoE Systems

Connect easily to Reolink NVRs for extended video storage and centralized control. Can also record directly to microSD card (Max. 512GB).

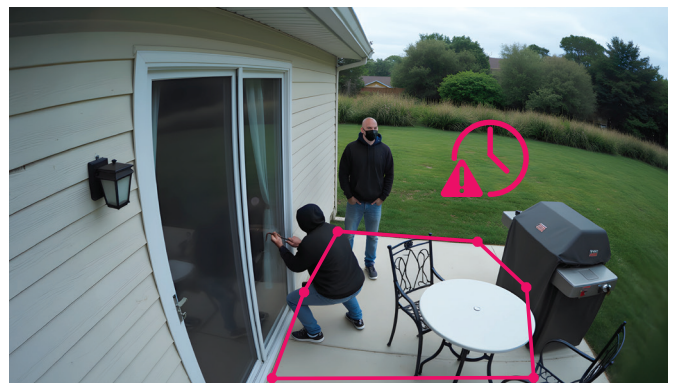

16MP 180° No Blindspot Crystal-Clear Picture

Stunning 180° Panorama Views. Cover your yard, your street – even your neighbor's property line!

Create Virtual Fence

Define your virtual boundary and receive instant alerts with the Line Crossing detection.

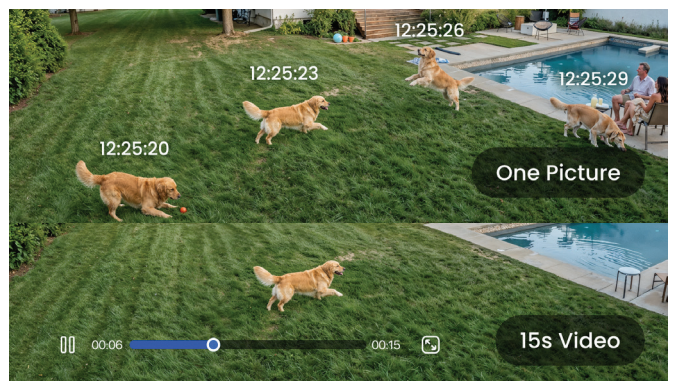

Safeguard Property

Instantly safeguard your property with smart detection and powerful Zone Loitering detection.

Local AI Video Search

Find footage fast. Just type key details to instantly locate specific moments across weeks of video. No more scrubbing or guess work.

Motion Track: See the Full Story

Reveal 15-seconds of motion events in ONE image. Motion Track visualizes the path of people, vehicle, and animal movement. Get your alerts as a single image that tells the whole story. Practically eliminates time spent scrubbing lengthy video, while saving precious memory.

Gallery

One App/Client for All Control

Stay connected to your home or business anytime, anywhere.

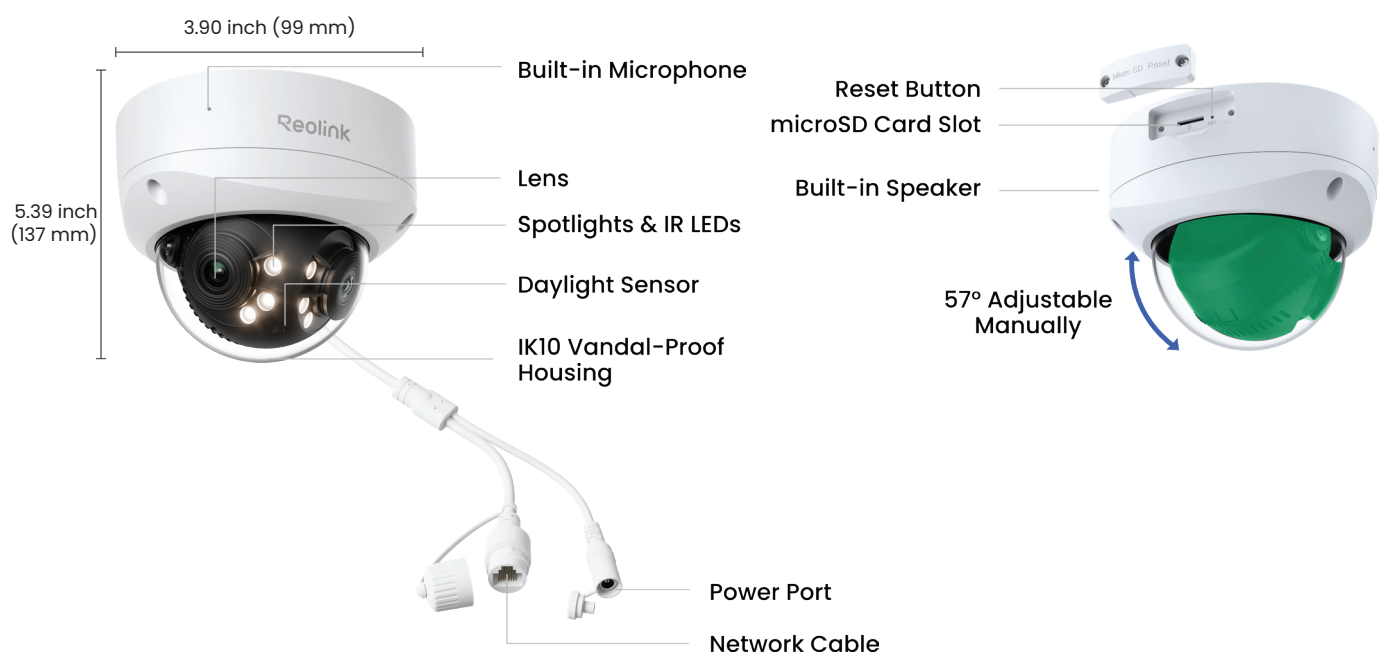

Seamless NVR Integration

Plug and play with a Reolink NVR for reliable 24/7 continuous recording, centralized management of multiple cameras, and secure, large-capacity local storage with no monthly fees.
