

## **Warranty Information**

---

**This product is guaranteed for six months from the date of purchase against defects in materials and workmanship.** If the product develops such a defect during the warranty period, the product will be repaired or replaced at the manufacturer's option. This warranty does not cover damage caused by misuse and every day wear and tear.

Under no circumstances will the manufacturer be liable for any of the following: loss or damage to personal property; any damage caused to the product by repair attempts not authorized by the manufacturer; any other incidental or consequential damages caused by the user or improper use of the product.
