

Smart Nursery

Dream Machine

Connected Sound and Light Show Projector with Audio Monitoring

MODEL: MBP85SN

Your nursery just got smarter.

Help your little one sleep soundly with the Motorola Smart Nursery Dream Machine. This connected sound and light show projector is controlled with the Hubble app for smartphones and tablets. The Smart Nursery Dream Machine comes with a night light/mood light with changing colors, three animated scenes, and free downloadable lullabies available from Hubble to help calm your baby at night. The two-way communication feature allows you to hear when your child is upset and speak to them, soothing them back to sleep. With Motorola's Smart Nursery Dream Machine, your nursery just got smarter.
