

Product Details

Product Dimensions:

Assembled Length (in.):12.8

Assembled Width (in.):10.8

Assembled Height (in.):14.8

Product Weight (lbs.):16.31

Package Size:

Length (in.):15.9

Width (in.):13.2

Height (in.):17.8

Weight (lbs.):21.38

Product Features:

1. Quartz infrared heating warms people and objects directly instead of just blowing hot air around, so the room feels comfortable faster and the air doesn't get dry like with traditional heaters.
2. Enjoy the cozy glow of a fireplace without smoke, wood, or installation, making it a great way to add warmth and atmosphere to apartments, bedrooms, or small living spaces.
3. The remote control and clear digital panel make it simple to adjust temperature, switch modes, or set a timer without getting up from the couch or bed.
4. Eco mode helps maintain a steady temperature while using less energy, perfect for long evenings or overnight heating without worrying about high power usage.
5. Overheat protection and child lock add extra peace of mind, making it suitable for homes with kids, pets, or for leaving on while you're working or relaxing.
