

MODEL ONE DIGITAL shown in Walnut/Grey

MODEL ONE DIGITAL | FM / Wi-Fi / Bluetooth® Radio

Radio Reimagined

Balancing style, technology, and audio quality the Model One Digital is a radio for the modern era. It delivers a new spin on the original Model One by offering FM, Wi-Fi, and Bluetooth®. It merges the simplistic elements and user-friendly features of the original, but with a tech refresh. The digital navigation screen and multi-operational dial makes changing stations or streaming playlist simple. With its classic style, the Model One Digital is the perfect complement to your home.

Use the Model One Digital in:

Mono- Single unit

Stereo – Wi-Fi connected to a cube with Tivoli Wireless app

Wireless System – Connect with two or more ART products to create a hi-fi system or multi-room setup.

Make listening easy again!
