

GR-6S

Cuisinart® Contact Griddler with Smoke-Less Mode

Introducing the first Smoke-less Contact Griddler®, an innovative kitchen essential that makes it easy to cook delicious grilled meals indoors--without all the smoke. Specially designed plates reduce grease while precision temperature control maintains just the right heat for grilling beef, poultry, fish, and pork to perfection, with maximum flavor and minimal smoke. Engineered especially for smoke-less indoor cooking of grilled favorites all year round, this one-of-a-kind appliance also includes all the Griddler® features home chefs love. And because there's a removable drip tray and the plates are nonstick and dishwasher safe, cleanups are a breeze.

- Smoke-less Mode features-
 - Preset for food groups include beef, poultry, fish and pork
 - Fold out front foot extension and additional top plate position for grease drainage
 - Newly designed plates for improved grease management
- LCD Display and Digital Controls
- Adjustable temperatures from 175-425°F plus a Sear Function
- DuoControl™ Heating Advantage- provides independent temperature control for upper and lower plates
- Smokeless grill, contact grill, panini press, full grill, full griddle, and half grill/half griddle
- Removable and reversible dishwasher-safe nonstick cooking plates
