

Large Room Air Purifier

FEATURES

- Designed for rooms measuring as large as 497 sq. ft. (46.1 sq. m)
- Captures microscopic particle pollution in the air, removing irritants and improving visibility
- HEPA filter removes allergens, mold, dust, pet dander, smoke, and pollen
- Carbon filter removes odors from chemicals like ammonia, formaldehyde, and nicotine
- LED display shows you your current air quality level
- Four fan speeds (plus sleep mode) let you select how quickly air is purified
- Timer runs the purifier for a pre-set time (1, 2, 4, 8, or 12 hours), then automatically turns it off
- Child lock prevents accidental setting changes

INCLUDED

- Large Room Air Purifier
