Features & Benefits

Fresher Food for Longer
ActiveSmart™ Foodcare helps keep your food fresher for longer by constantly monitoring your refrigerator and adapting to maintain a controlled environment and optimum temperature.

Easy Living
These refrigerators adapt to suit your lifestyle by streamlining food preparation and organization with SmartTouch controls, flexible shelving and storage options and slide out bins and trays.

Sized to Suit
Available in multiple widths, these refrigerators are sized to suit families and kitchens, large and small. Designed to fit easily in your kitchen, they can sit flush with your counter top. Concealed hinges on many models add to a clean, refined appearance.

Easy Cleaning
Removable, spill safe glass shelves are easy to clean and contain drips and spills. Storage bins and EZKleen stainless steel doors just need a wipe to keep spotless.

Ergonomic
Uninterrupted wide-open spaces and numerous shelving options enable easy customization for different uses. Quality extension runners allow you to slide out trays fully for easy loading and unloading in the fridge and freezer. The storage bins are also removable, making food preparation and cleaning easier.

Efficient
ActiveSmart™ fridges intelligently adapt to daily use to save energy, cooling, defrosting and using energy only when they need to, without compromising on food care.

Safe
Secure glass shelving contains drips and spills and prevents them from falling on items stored below.
