

VERNAZZA Vento™

Furniture Fabric PC Chair

FEATURES

Based of Arozzi's Vernazza

chair, featured in IGN's "The Best

Gaming Chairs 2019", the new Vernazza

Vento™ series incorporates our Soft Fabric™

together with inserts of perforated Vento PU™ for breathability and comfort.

Get the same satisfactory sensation of relaxing on your sofa with the incredibly cozy upholstery. The breathable material is designed for the body to stay cool for long term usage so you can stay focused.

In addition to the fabric and Vento PU, the wheel base has been upgraded to a stylish matte black aluminium and the gas lift added extra height distance from the seat to floor.
