

Cuisinart GK-17 ViewPro Cordless Electric Kettle

- 1.7-liter capacity
- 1500 watts of power brings water to a boil in minutes
- One-touch On/Off control with blue LED indicators
- Easy-to-read water level markings
- 360° swivel cordless connector

Whether heating water for perfect afternoon tea, making hot cocoa before bed, or filling a French Press for your morning coffee, the Cuisinart ViewPro™ Electric Cordless Tea Kettle is always ready. Boasting 1500 watts of power and a Schott glass body, this kettle brings up to 1.7 litres of water to a boil fast, at the push of a button.
