BEAM KIT

LIFX Beam Kit is a Wi-Fi enabled LED modular light surface with millions of beautiful colors—*no hub required.*

FEATURES

Easy set up. Beams click together end to end. Included command strips allow you to place them exactly where you want. Simply download the app, connect to Wi-Fi and you're ready to go.

Built in Wi-Fi & LIFX Cloud. Offers full lighting control via Wi-Fi and Cloud through our LIFX iOS, Android and Windows 10 apps. Access your Beams from anywhere, anytime via the cloud.

Adjustable and dimmable. Connected lighting and scenes for your space, time of day, and mood. Choose from 16 million colors with flexibility to dim. Experience how subtle adjustments in tone and brightness can enhance the decor of any room.

Fit to length. LIFX Beams can be customized in any layout to ensure the best fit for your home.
