

TRUE GLOW™ THERMAL SPA HEATED BEAUTY MITTS

BHMXF

Slip into smoothing warmth.

Relieve and reinvigorate your stressed and weary hands with the luxury and comfort of True Glow Thermal Spa Heated Beauty Mitts. Simply choose the heat setting that's right for you, apply your favorite moisturizer, cover hands in plastic wrap, and slip them into the soothing heated mitts. As your pores open, the moisturizer penetrates deeply into your skin. Even heat ensures that every inch of skin is stimulated and softened. Your hands emerge smooth and healthy-looking.

- Thermal spa heated beauty mitts for softer, healthier-looking skin
- Even heat stimulates and revitalizes hands
- 3 temperature settings
- Heat opens pores to allow your moisturizer to condition the driest of skin
