

FLIP[®]12 POWER BANK

Higher Capacity and Better Outputs

High-quality 3,350mAh cells provide enough power for one full phone charge, equipped with a proper USB output that even allows for charging smaller devices like wireless headsets and smart watches.

Pass-Through Charging Enabled

Recharge the Flip Power Bank from any USB port and simultaneously charge a phone; power for now, and power to-go. A built-in USB tip means no extra cables are needed for recharging a Flip.

Solar Ready™

Recharge the Flip from any USB port, or pair it with Goal Zero's line of portable, foldable solar panels and recharge from the power of the sun.
