Item Name:

Razor Pocket Mod

Product Title: Razor Pocket Mod Miniature Euro-Style Electric Scooter for Ages 13+, Vintage-Inspired Design, Up to 40 Minutes Ride Time

Feature Bullets:

- European Flair and American Design – A vintage-inspired electric scooter for riders age 13 and up, with a maximum weight of 170 lbs (77 kg).
- Authentic Styling – With its padded seat, twist-grip throttle control, and hand-operated brake, the Pocket Mod provides a scaled-down Euro-style scooter that looks and feels like the real thing.
- Electric-powered Fun – The high-torque, chain-driven motor boasts speeds up to 15 mph (24 km/h) with up to 40 minutes of continuous ride time on a single battery charge.
- Built-in Storage and Stability – The secret storage compartment under the seat makes it easy to carry your essentials with you, and the dual kickstand keeps everything upright.
- Color Match Your Style – With many color variations available, personalize your ride with the shade that best suits your vibe.

Product Copy (Short):

You're all about style, retro or vintage, and your color story is just as important to you as your Algebra final. With the Razor Pocket Mod miniature electric scooter, you've got up to 40 minutes of battery power with speeds up to 15 mph (24 km/h). When you factor in a secret storage compartment, padded seat, and various colors to choose from - it all adds up to bliss on wheels.

Product Copy (Extended):

You're all about style, retro or vintage, and your color story is just as important to you as your Algebra final. With the Razor Pocket Mod miniature electric scooter, you've got up to 40 minutes of uninterrupted ride time on a single battery charge. With speeds up to 15 mph (24 km/h), a secret storage compartment, dual kickstand, padded seat, and controls at your fingertips – it all adds up to an amazing ride, so sit back, relax, and enjoy the bliss.

Subheading 1:
