Overall Height	18 in
Overall Width	30 in

## FEATURES & BENEFITS

590 CFM Range Hood – Get powerful ventilation that removes smoke, grease, odors and moisture from the air.

QuietBoost™ – This high performance exhaust technology keeps the canopy hood quiet as soon as you turn it on.

LED Hood Light – Get a bright view of your cooktop as you prepare your favorite meals with LED lighting in this range hood.

4-Speed Fan – Have strong ventilation at four fan speeds that you can adjust to match your cooking techniques.

Night Light Setting – Turn on the range hood night light setting for a soft glow in the kitchen at night.

Removable Filter – This removable range hood filter is easy to take out and wash, so grease and odors are always removed from the kitchen air.

Baffle Filters – The baffle filters in this range hood trap more grease and require less frequent cleaning than standard filters.

Duct Cover Optional – Without a duct cover, create the look of a floating hood and allow for multiple installation options.
