# Cytus Alpha

Cytus Alpha is the evolutionary version of the popular mobile game, Cytus. The Switch version features new visuals and over 200 songs, including newly written songs and collaboration tracks. A new leaderboard mode is added where players can post scores against other players online.

- 200+ songs, including all new songs for the Switch.
- Over 10 levels of difficulty and an in-game leaderboard.
- Active scan line and 3 kinds of notes for an easy and intuitive game flow.
- Various music genres- pop, jazz, trance, hardcore, drum 'n bass and more.
