Product Introduction

Excellent fishing boat!

The sea dog fishing boat is a platform fishing boat with a length of 295cm/9.7Ft. While maximizing comfort and stability, the designer spared no effort to create excellence in performance. According to the needs of kayaking fishing, the fishing boat is equipped with all "must have" functions. From lakes, rivers, to open oceans, for this fishing kayak, there are no boundaries. The fishing kayak is equipped with a fishing rod holder, two of which are behind the seat, integrated embedded installation, and one is installed on the deck in front of the rower. The pole holder installed on the deck can be removed, and you can replace it with any compatible equipment you like. The fishing kayak is also equipped with a dry storage compartment, which can store equipment under the deck.

In terms of performance, the fishing boat surpasses most similar styles and even longer and larger rowing boats. The whole journey is smooth, comfortable and dry. The storage compartment behind the cockpit has a lot of storage space for dry bags, fishing gear and other necessities. At the same time, there is a very practical small storage compartment at the front of the fishing boat.

Comfortable and dexterous backrest

The standard backrest itself is a commendable innovation. Not only can it provide great support for the back and optimize the entire stroke, but it is also very simple to assemble.

Multi-functional backrest

Comfortable and easy to install.

Performance is everything

In terms of the importance of design and performance, this is a perfect rowing boat. Not only can it bring an exciting boating experience, it is also fascinating in itself.
