Product Video	N/A
Documentation	Quick Start Guides
100-Word Product Description	The CORSAIR K95 RGB PLATINUM XT Mechanical Gaming Keyboard immerses your desktop in dynamic RGB lighting with per-key illumination. Precision-molded 104/105-key PBT double-shot keycap set, 100 million keystroke-guaranteed CHERRY MX SPEED RGB Silver keyswitches, and an anodized aluminum frame offer extraordinary build quality. Six dedicated macro keys establish an in-game advantage, with the added benefit of Elgato Stream Deck software integration. A detachable cushioned leatherette palm rest offers plush comfort, while dedicated multimedia keys, an aluminum volume roller, and a USB pass-through port put convenient control within reach. Powerful iCUE software gives you control over your lighting, macros, key remaps, and more. Boasting 100% anti-ghosting with N-key rollover and onboard storage for five profiles, the K95 RGB PLATINUM XT lets you play with a full deck.
50-Word Product Description	The CORSAIR K95 RGB PLATINUM XT Mechanical Gaming Keyboard immerses your desktop in dynamic RGB lighting with per-key illumination. Precision-molded 104/105-key PBT double-shot keycap set, 100 million keystroke-guaranteed CHERRY MX SPEED RGB Silver keyswitches, and an anodized aluminum frame offer extraordinary build quality. Six dedicated macro keys establish an in-game advantage, with the added benefit of Elgato Stream Deck software integration.
25-Word Product Description	The CORSAIR K95 RGB PLATINUM XT Mechanical Gaming Keyboard immerses your desktop in dynamic per-key RGB backlighting, equipped with a double-shot PBT keycap set and six dedicated macro keys with Elgato Stream Deck software integration.
Product Features (Style 1)	<ul style="list-style-type: none"> Per-key RGB backlighting and a 19-zone LightEdge across the top of the keyboard delivers dynamic and vibrant lighting effects with near-limitless customization. Precision-molded 1.5mm thick 104/105-key PBT double-shot keycap set resists wear, fading, and shine through years of gaming. Gain an in-game advantage with six dedicated macro keys, fully programmable for complex macros and key remaps, or swap to the included S-key keycaps and program special streaming commands through Elgato Stream Deck software.

- CHERRY MX SPEED RGB Silver mechanical keyswitches provide ultra-fast 1.2mm actuation and proven reliability with 100 million keystrokes guaranteed.
- A detachable, soft textured cushioned leatherette palm rest offers the plush comfort to breeze through marathon gaming sessions.
- A premium anodized brushed aluminum frame is built to withstand a lifetime of gaming.
- Dedicated multimedia control with convenient hotkeys and signature CORSAIR aluminum volume roller let you take command of your media without interrupting your game.
- A USB pass-through port provides convenient access to an additional USB device such as a mouse or headset, with tidy cable routing under the keyboard.
- Powerful CORSAIR iCUE software enables vivid dynamic RGB lighting control, sophisticated macro programming and full-system lighting synchronization across all iCUE-compatible CORSAIR devices.
- 100% anti-ghosting with full N-key rollover (NKRO) ensures that every keypress registers, no matter how fast you play.
- 8MB of onboard profile storage with hardware macro and lighting playback let you take up to five lighting and macro profiles with you, wherever you go.

Product Features (Style 2)

- **Dynamic Per-Key RGB Backlighting with 19-Zone LightEdge:** Immerse your desktop in incredibly vibrant lighting effects with near-limitless customization.
- **PBT Double-Shot Keycaps:** 104/105-Key precision-molded, 1.5mm thick keycap set resists wear, fading, and shine through years of gaming.
- **Six Dedicated Macro Keys:** Fully programmable with complex macros and key remaps, or swap to the included S-key keycaps and program special streaming commands through Elgato Stream Deck software.
- **100% CHERRY MX SPEED RGB Silver Mechanical Keyswitches:** Ultra-fast 1.2mm actuation and proven reliability with 100 million keystrokes guaranteed.
- **Detachable Plush Palm Rest:** A soft textured cushioned leatherette palm rest offers the comfort to breeze through marathon gaming sessions.
- **Anodized Brushed Aluminum Frame:** Premium aluminum construction designed to withstand a lifetime of gaming.
- **Dedicated Multimedia Control:** Take command of your media and adjust volume without interrupting your game using a signature CORSAIR aluminum volume roller.
- **USB Pass-Through Port:** Provides convenient access to an additional USB device such as a mouse or headset, with tidy cable routing under the keyboard.
- **Powerful CORSAIR iCUE Software:** Enable vivid dynamic RGB lighting control, sophisticated macro programming and full-system lighting synchronization across all iCUE-compatible CORSAIR devices.
- **100% Anti-Ghosting with Full N-key Rollover:** Ensures that every keypress registers, no matter how fast you play.
- **8MB Onboard Profile Storage:** Hardware macro and lighting playback let you take up to five profiles with you, wherever you go.
