Highlights

NanoTech Precision Blades

NanoTech precision blades are strengthened with nano particles and have extra strong and long-lasting sharp edges. They cut hair with the highest precision, delivering extremely close results at skin level.

Superb SkinComfort rings

Get a shave that glides extremely smoothly over your skin, with the Superb SkinComfort rings. The rings with metallic pigments have an anti-friction coating for superb gliding.

BeardAdapt Sensor

Shave off even a dense 7-day beard - effortlessly. The BeardAdapt Sensor checks the hair density 15 times per second and automatically adapts the shaver to your hair.

Excellent skin comfort system

Our excellent skin comfort system enables you to get a highly efficient shave, even on a longer (up to 7-day) beard. Its new wider, rounder openings catch more hair per pass, resulting in a difference you can feel: excellent skin comfort.

Personal comfort settings

Choose between 3 modes to customize your shave. Sensitive - for a gentle, thorough shave. Normal - for a thorough, everyday shave. Fast - for a quick shave that saves you time.

Multi-direction ContourDetect

Get an extremely close, smooth shave. Multi-direction ContourDetect heads follow every contour of your face, catching even difficult hairs.

SmartClick precision trimmer

Finish your look with the skin-friendly SmartClick precision trimmer. It is ideal for maintaining your mustache and trimming your sideburns.

Premium Case

The premium pouch protects the shaver as well as its accessories.

Digital display

The intuitive display shows relevant information, enabling you to get the best performance out of your shaver: - 3 digit (%) battery indicator - Cleaning Indicator - Battery Low Indicator - Replacement Head Indicator - Travel Lock Indicator
