

## HD 1 In-Ear (M2 IE)

**Luscious listening.** This earphone is the smallest member of the HD1 product family. Still, it offers uncompromisingly clear, brilliant and powerful sound like all HD1s, as well as a wealth of valuable quality details – from the nanoprecise, stainless-steel sound tunnel to the three-button multifunction remote with integrated microphone.

### FEATURES AND BENEFITS

- Custom machined stainless steel acoustic pipe for more accurate sound
- High-quality dynamic speaker system and excellent attenuation of ambient noise
- Personalised fit in the ear canals (ear adapters in different sizes included)
- Available in two variants with a 3-button in-line remote with an integrated mic optimised for either Apple iOS or Samsung Galaxy™ smart devices
- Two toned cable only available for black/red model. Black model using single black tone cable. Elliptical cable for a tangle-free listening experience.
- Convenient premium carrying case included
- 2 year warranty

# HD 1 In-Ear (M2 IE)
