

Lenovo Smart Frame

Launch Feature List 1.0

We capture thousands of digital memories only to hide them away on the cloud, rarely to be seen again. The Lenovo Smart Frame lets you relive that magnificent sunset, magical wedding moment or a tranquil Christmas morning back home. Bring your moments back to life on a beautifully designed Smart Frame, custom made for your home.

Below are a list of launch day features that will be available on your Lenovo Smart Frame. We endeavor to constantly improve and optimize the Lenovo Smart Frame user experience and feature sets.
