¹Samsung Vision AI features vary by model; see individual model for more info.

²TV and Wireless One Connect require separate power cord connections. Wireless One Connect [only] connects to TV via [included] peer-to-peer WiFi and is omni-directional up to 30 feet; connection may be affected by surrounding environment, may not connect when enclosed or when blocked by metal (e.g., from inside a metal cabinet) or by other physical objects such as walls.

³Utilizes AI-Based formulas to upscale to 8K resolution. Resulting picture may vary based on source content.

⁴Wireless One Connect must be connected to the TV wirelessly for full TV functionality. Wireless connection may be affected by surrounding environment, may not connect when enclosed or blocked by metal (e.g., from inside a metal cabinet) or by other physical objects such as walls. TV and Wireless One Connect require separate power cord connections.

⁵Motion Xcelerator Turbo is only available with PC connected games that support such specifications (PC graphic card required). Performance may vary.

⁶Utilizes AI-Based formulas

⁷Samsung Account required for network-based smart services, including streaming apps and other smart features. Computer, mobile or other device may be necessary to create/login to Samsung Account (free to download and create). Without Account log in, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with antenna capability).

⁸Works with antenna broadcast only. Available languages vary and may require download. Translation accuracy not guaranteed.

⁹Click to Search Who's On feature only works with terrestrial, cable TV and Samsung TV Plus. Click to Search Watch Next feature utilizes AI based algorithms.

¹⁰Fees apply to subscription service. Art pieces in the Art Store are subject to change without prior notice.

¹¹One UI Tizen OS updates are available for up to 7 years from the product release year starting in 2023. Availability, features, contents, apps and services are subject to change without notice and may vary by product and model. OS updates does not cover hardware-related performance, features or durability.

¹²SmartThings require compatible devices only. SmartThings app download may be required.

¹³Subscriptions may be required for some services. Smart Trainer support devices may vary by country.

¹⁴High speed internet connection, additional gaming service subscriptions and compatible controller required.

¹⁵Super Ultrawide Game View is supported for PC games only. This is feature is only available for ultra-wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.
