

## 1080P ACTIVE DETERRENCE WIFI CAMERA

Powerful security designed to send trouble packing

This advanced Active Deterrence WiFi Camera allows you to program dual LED spotlights and access a user-activated siren designed to startle potential intruders. It's never been easier keeping tabs on what matters thanks to 2-way talk capabilities and live on-demand HD video, right on your mobile device. The camera is easily installed indoors or outdoors and includes 2 mounts, for multiple placement options.

### Don't Take Security Lightly

Featuring programmable and motion-activated dual spotlights to deter potential intruders.

- PIR Motion-activated
- Program spotlights from mobile app
- Powerful and energy efficient LEDs

### 2-Way Talk

Listen in or speak directly to anyone on your property using the mobile app.

- Built-in mic and speaker
- Speak and hear audio using the Lorex Home mobile app

### Take Control

Use the mobile app to activate an audible siren to ward off unwanted guests.

- Loud built-in alarm siren
- Remote-triggered from the Lorex Home mobile app

### Get the Full Picture

See more than ever with 1080p HD video, super wide-angle viewing, and advanced night vision.

- Full 1080p HD video resolution
- 135° wide-angle viewing
- Up to 65ft/20m night vision
