

ANVIL BACKPACKS

PROFESSIONAL

PROFESSIONAL ANVIL BACKPACKS

Introducing Tamrac's Professional Series: humble camera bags built for photographers. Combining modern, lightweight and rugged materials the Anvil™ backpacks comfortably carry a wide variety of camera bodies, lenses and accessories, plus laptops and personal gear. Available in a range of six sizes, there is an Anvil to carry everything from compact DSLRs, mirror-less camera systems, and multiple pro-sized DSLRs plus lenses and accessories.

ANVIL 17

Medium sized backpack carries pro-sized DSLRs with lenses attached and accessories.

ANVIL SLIM 11

Slim design for compact DSLRs and Mirrorless Camera Systems carries multiple bodies with attached lenses and accessories.

ANVIL 23

Large pack designed to carry multiple pro-sized DSLRs with attached lenses and accessories.

ANVIL SLIM 15

Slim design for compact DSLRs and Mirrorless Camera Systems carries multiple bodies with attached lenses and accessories.

ANVIL 27

Extra-large pack holds multiple pro-sized DSLR with lenses attached and accessories.

ANVIL SUPER 25

Purpose built to carry a pro-sized DSLR attached to a telephoto lens up to 600mm.
