Experience meticulous sound quality from three drivers. Hear your favorite music as the artist intended it to be heard. Hear MORE.

- **THREE DRIVERS** - A 40mm graphene dynamic driver + ceramic tweeter + passive radiator deliver an ultra-realistic sound stage with sizzling highs, defined mids, and deep bass.
- **Expertly Tuned** - Grammy® winning sound engineer Luca Bignardi perfected the final tuning to deliver a precise representation of your favorite music.
- **METICULOUS DESIGN** - Features anodized aluminum alloy with CNC accents for lasting durability and fingerprint resistance.
- **AUDIOPHILE-GRADE CABLE** - 99% oxygen-free copper wire with anti-tangle Kevlar® sheath which adds durability and tensile strength.
