DRAGON BALL FIGHTERZ

The critically acclaimed DRAGON BALL FighterZ is now bringing its spectacular fights and all-powerful warriors to NINTENDO SWITCH. Partnering with Arc System Works, DRAGON BALL FighterZ maximizes high end Anime graphics and brings easy to learn but difficult to master fighting gameplay. And on top of being playable on-the-go, this NINTENDO SWITCH version also includes its share of exclusive features.

NINTENDO SWITCH FEATURES

- Simplified controls for single Joy-Con play
- More Features to Be Announced

SPECTACULAR FIGHTS

- Experience aerial combos, destructible stages, famous scenes from the DRAGON BALL anime reproduced in 60 FPS

3VS3 TAG/SUPPORT

- Allows players to train and master more than one fighter/style which brings deeper gameplay

HIGH-END ANIME GRAPHICS

- Using the power of the Unreal engine and the talented team at Arc System Works, DRAGON BALL FighterZ is a visual tour-de-force
