

# 14-Cup PerfectTemp® 14-Cup Coffee Maker with Over Ice

DCC-3500SS

Brew fresh, full-flavored coffee hotter and faster with the innovative PerfectTemp® 14-Cup Programmable Coffeemaker. PerfectTemp heating technology ensures you always get piping-hot coffee with less waiting and without sacrificing flavor. Customize your coffee experience with 1-4 cup settings and adjustable 24-hour start and auto-shut-off times. Extend the Keep Warm function for an extra 30 minutes to maintain the perfect temperature for up to 4 hours. The charcoal and gold-tone filters work together to produce the fullest, freshest flavor, and the over ice function gives you the option to enjoy refreshing iced coffee at the touch of a button. Simple to use, with an intuitive control panel, front-fill water reservoir, and easy-pour carafe, this coffeemaker makes brewing your best coffee easy.
