

5" Portable Video Baby Monitor with Wi-Fi®

Model: MBP855CONNECT

Watch them dream. From anywhere.

This Motorola 5" Portable Video Baby Monitor with Wi-Fi® enables you to keep an eye on things while at home on the handheld parent unit and away on compatible smartphones, tablets, and computers. Take the portable, battery-powered camera with you around the house to watch your little one wherever they are, and see the whole room clearly, day or night, with remote pan, tilt, and zoom and infrared night vision. The Hubble app allows you to receive sound, motion, and temperature notifications to your compatible viewing device so you can always stay connected to what's going on at home. The ergonomic parent unit boasts a large 5" diagonal screen and two-way communication, which allows you to speak to your partner or child from another room.
