Invented for life

Small space living. The big new movement.

Explore Small Space Appliances.

Bosch Home Appliances. Invented For Life.

Small space living is no longer seen as a sacrifice or compromise. More and more, people are choosing smaller-scale living out of desire, rather than need. Designing for small spaces, especially kitchens, lends itself to embracing the beauty of simplicity and efficiency. Clean, uncluttered lines. Easy aesthetics. And smaller-scaled appliances designed in correct proportions, create balance and harmony within the surrounding space.

Bosch's suite of 18" and 24" appliances are specifically designed to fit downscaled living, without sacrificing upscale tastes. Premium in every way, Bosch small scale appliances feature the quality and performance you'd expect in full-size appliances.

24" Cooktops

Bosch 24" Cooktops are available in gas, electric or induction, and are ideal for any small space kitchen. The induction cooktop features a large, 11" cooking zone with 3700W of power for speed and precise results, and a sleek frameless design. The gas cooktop has four powerful high efficiency burners allow you to cook multiple dishes with a full range of BTU performance.

24" Induction cooktop NIT5460UC

24" Ventilation

Bosch 24" Ventilation is available in a Pull-Out Visor or Chimney Wall Hood. All Ventilation options use 300-400 CFM blowers. Chimney design option creates an inspiring focal point in the kitchen, or the sleek visor hood can closed when not in use.

24" Wall oven HBE5453UC

24" Wall Oven, Speed Oven & Drawer Microwave

Offering Convection Multi-Rack for even baking, the Bosch 24" Wall Ovens feature multiple cooking modes for a variety of methods to get crispy results from frozen foods, or a perfectly browned fresh roast. The 24" Speed Oven pairs the cooking qualities of a conventional oven with the speed of a microwave, and SpeedChef® mode calculates the fastest cook time for best results. A 24" Drawer Microwave is designed to be installed flush with your cabinetry.

18" Dishwashers

Bosch 18" Dishwashers feature thoughtful innovations such as a third rack, a RackMatic® height adjustment, system and AquaStop® Plus Leak Protection. The 18" Dishwashers are ADA compliant and are available in a variety of handle options such as bar, recessed and custom panel ready.

24" Refrigerator B24CB80ESS

24" Refrigerators

Bosch 24" refrigerators offer industry leading efficiency and fit small spaces with a sleek sophistication, featuring hidden hinges and reversible doors, allowing for next to wall placement and flush installation. These true counter-depth refrigerators are available in a variety of styles and finishes—including stainless steel, luxurious black or white glass and custom panel. Foods stay fresher with adjustable humidity in the VitaFresh drawer, creating the optimal environment for your fruits and vegetables

24" Compact Laundry

Small goes beyond the kitchen, too. Bosch 24" Compact Washers and Dryers deliver ultra-quiet performance and energy efficiency. All Bosch laundry units are ENERGY STAR® certified, with the 500 Series laundry pair awarded the Most Efficient Mark in 2023. The laundry pairs can be installed stacked, side-by-side, under counter, or on pedestals. And with no venting required for the dryer, the models can be installed almost anywhere in the home.
