## 6QT Induction Heating Digital Pressure Cooker

---

The 6 Quart Induction Heating Digital Pressure Cooker is your all-in-one kitchen tool that does it all. Using induction heat technology it combines twenty default cooking programs to cook your food faster and healthier! Create decadent dishes and desserts you love, in a shorter amount of time. Your pressure cooker combines the functions of a pressure cooker, slow cooker, rice/porridge cooker, cake maker, yogurt maker, steamer, warmer and more.

With built-in cooking programs, you can have your meals ready with the push of a button. Load your cooker with your favorite ingredients, select a digital pre-set, lock your cooker and you're on your way to a delicious meal. Aluratek's pressure cooker is UL and ULC certified and features a double safety lock. You can rest assured that your pressure cooker stays locked and secured at all times.

- ✓ **ALL-IN-ONE COOKER** - Easily create healthy flavorful dishes in no time. Perfect for use as a pressure cooker, slow cooker, rice cooker and steamer.
